THE PURPLES ARE COMING! Receives Imprimatur

Advance Praise

THE PURPLES ARE COMING! is a beautifully illustrated story that seamlessly integrates a subtle discussion of the love of God and prayer into a delightful story of spring in the animal kingdom.

Derry Connolly, Ph.D.

President / John Paul the Great University

THE PURPLES ARE COMING! is beautiful. The artwork is tremendous and I liked the poetic rendering of the story. I suspect there is a great need out there for good children's literature that teaches the virtues and I feel so honored to have children introduced to the Apostles of Prayer in this way.
